Forward-Looking Statements

This website contains forward-looking statements. All statements, other than statements of historical facts, that address activities, events or developments that MEMP expects, believes or anticipates will or may occur in the future are forward-looking statements. Terminology such as “may,” “will,” “would,” “should,” “could,” “expect,” “anticipate,” “plan,” “project,” “predict,” “intend,” “estimate,” “believe,” “target,” “continue,” “pursue,” “potential,” the negative of such terms or other comparable terminology often identify forward-looking statements. These statements are based on certain assumptions made by MEMP based on its experience and perception of historical trends, current conditions, expected future developments and other factors it believes are appropriate in the circumstances, but such assumptions may prove to be inaccurate. Such statements are not guarantees of future performance and are subject to a number of risks, uncertainties and other factors, many of which are beyond the control of MEMP, which may cause MEMP’s actual results to differ materially from those implied or expressed by the forward-looking statements. You are cautioned not to place undue reliance on any forward-looking statements. Please read MEMP’s filings with the Securities and Exchange Commission (“SEC”), including “Risk Factors” in MEMP’s Annual Report on Form 10-K, and if applicable, MEMP’s Quarterly Reports on Form 10-Q and Current Reports on Form 8-K, for a discussion of risks, uncertainties and other factors that could cause actual results to differ from those in such forward-looking statements. Except as required by law, MEMP undertakes no obligation and does not intend to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Other Cautionary Note

The SEC permits oil and gas companies, in their filings with the SEC, to disclose only proved, probable, and possible reserves that meet the SEC’s definitions for such terms. MEMP may use certain terms on this website, such as “original oil in place,” “resources,” “resource potential” and similar terms, that the SEC’s guidelines strictly prohibit MEMP from including in filings with the SEC. You should not assume that such terms are comparable to “reserves,” including proved, probable or possible reserves, under SEC rules or are representative of estimates of future production from properties. Investors are urged to consider closely the disclosure in MEMP’s most recently filed Annual Report on Form 10-K, File No. 001-35364, and its other filings with the SEC. MEMP’s Annual Report on Form 10-K and other filings with the SEC are available from MEMP at <http://www.memorialpp.com> or by writing to MEMP at: 500 Dallas Street, Suite 1600, Houston, Texas 77002. You may also obtain these filings from the SEC by calling 1-800-732-0330.
